In September, 2010, Swarthmore Friends of the Arts will be mounting an exhibit at Borough Hall entitled *Art About Swarthmore*.

Notice is being given now so that Swarthmore, as a subject, can be considered in a variety of seasons. Everyone is invited to enter. All mediums, including sculpture and collage, are acceptable. We ask that the subject be about Swarthmore and that the artist write a statement in 300 words or less explaining the work's connection to Swarthmore. Each person can enter one piece of artwork with a \$5.00 donation to help defray costs. This will be a wonderful show celebrating Swarthmore. If you have any questions, please call Lora Lavin at 610-328-3746 or Beth Jones at 610-328-2697.
